Palmetto Utilities, Inc. (Palmetto or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of the Company's rates and charges for the provision of sewer service and modifications to certain terms and conditions of the provision of its service. Palmetto is a public utility, as defined by S.C. In support of its request for an adjustment in the Company's sewer rates, Palmetto asserts, among other things, that the proposed sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, allow the Company to recover its incurred costs, comply with environmental regulations, and earn a reasonable return on its investment. The Company also asserts that the proposed sewer rate increases are necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality sewer services.

The Company also seeks modifications to certain terms and conditions of its rate schedule pertaining to the operation, repairs and maintenance of satellite systems connected to Palmetto's system.
